

***WE ARE LOOKING FOR HUMANS**

At b2 it doesn't matter if you are female, male or diverse, where you come from, what skin color you have or what you believe in.

Our focus is on mutual respect and appreciation.

That is why we are looking for humans!

It is important that you are passionate about your job and fit in with us!

Join the b2 team

PRODUCTION WORKER (Human*) **in electronics production**

Annual minimum salary according to collective agreement. The actual salary is above the CA & depends on professional qualification & experience.

Your tasks:

- Assembly of electromechanical devices
- Mounting and soldering of electronic components
- Assembling of high voltage cables

Requirements:

- Technical understanding and manual skills (experience in electronics manufacturing is an advantage)
- Accuracy and quality awareness
- Ability to work in a team
- Good knowledge of MS-Office

We offer you a modern working environment with state-of-the-art tools and a motivated, dynamic team. Trust and knowledge sharing are values on which our company is built. High voltage is with us guaranteed!

All this sounds like a job that is made for you?
Then we are looking forward to your job application!

Apply now!

We are an innovative and expanding high-tech company whose products ensure secure energy networks worldwide. Customers in more than 120 countries value our solutions for testing and diagnostics of medium voltage cables. Trust, respect and fairness have characterized our cooperation for over 20 years.
